

Mr & Miss Dance USA

2026 ANDC Family National Titles Competition Weekend

We are excited and looking forward to an Awesome weekend, July 23-25, in Wilkesboro, NC. Events will be held at multiple venues, including The Yadkin Valley Events Center & The John A. Walker Center at Wilkes Community College.

Title entry is to be entered by the Studio Online & paid by June 23rd. Then on July 8th we will send studios a schedule & information to share with Parents/Dancers, and it will be posted on the "title" page with detailed information for all categories and social events for the weekend.

****We have a fantastic Weekend planned for these Awesome Young Dancers. This program is about the experience; we are not looking for the "best dancer" but rather a strong dancer who is a leader, role model, and is well-rounded to be a representative of the ANDC Family. It is the culmination of all categories that determines the National Title Winners. In each age division, preliminary awards will be presented in Interview, Class, and Solo Routine. Finalists will be announced for each age division, and the highest-scoring Finalist will be named the 2027 National Title Holders. Age Divisions are Tiny (5-6), Mini (7-8), Petite (9-10), Junior (11-12), Teen (13-14), and Senior/Miss & Mr Dance (15-19.) A Senior Split to (15-16) and (17-19) will be considered if there are enough contestants. **Ages are as of Jan 1st, 2026** PLEASE NOTE: *The ANDC Family reserves the right to modify age divisions based on actual received entries, age divisions may vary between the Mr & Miss Divisions.***

All National Title Contestants will receive FREE Photos and videos of their solo performance from the national title competition on the Dakiki App. We will also upload a complete schedule and program for all title semi-finalists to the Dakiki App. The schedule and program will also be printable as a keepsake.

All participants are expected to attend all events on the title weekend. We feel that attending all social activities outside of the competitive categories is important for the titles experience.

IMPORTANT: A dancer may only compete for one National Title on the Titles Competition Weekend; the Dance Machine ANDC & Boogie Fever USA title competition categories will overlap with scheduling for the 2026 National Titles Competition Weekend.

There are "Optional" photogenic categories at the National Title Competition. There will be two photogenic divisions: Headshot and Dance Pose/Action Shot. The optional photogenic is entered at Title Check-In, Instructions will be included with your final schedule for the title event. This is Optional and will not factor into the overall score for national title winners!

It is important to read this carefully so you are aware, prepared, and organized for a smooth title competition experience.
